

AICTE Awareness Webinar on Scholarship & Fellowship Schemes

Learn About AICTE Scholarship Opportunities

The *All India Council for Technical Education (AICTE)* is organizing an *Awareness Webinar on AICTE Scholarship & Fellowship Schemes* to provide detailed information about the financial assistance programs available for students pursuing higher education in Engineering, Technology, and other AICTE-approved programmes

The webinar aims to increase awareness among students and institutional representatives regarding various AICTE scholarship and fellowship schemes, including their eligibility criteria, application process, benefits, and other important guidelines.
