

ISABELLA THOBURN COLLEGE

CAREER COUNSELLING AND PLACEMENT CELL

CAREER COUNSELLING AND PLACEMENT CELL HIGHLIGHTS

Let's dive into the Career Counselling and Placement Cell at Isabella Thoburn College and what they're all about.

ACTIVITIES AND INITIATIVES

The Career Counselling and Placement Cell of Isabella Thoburn College serves as a vital bridge between academia and industry- Linking Campus to Careers.

Our goal is to empower students with the skills, confidence, and opportunities needed to excel in their professional journey.

We work to connect our students with leading organizations through campus placements, internships, workshops, and career guidance sessions. Beyond placement support, we emphasize holistic career development - helping students discover their strengths, refine their communication and interpersonal skills, and make informed career choices.

With a team of dedicated faculty members and enthusiastic student coordinators, the Placement Cell continues to uphold its commitment to guiding every student toward a successful and fulfilling career path.

01

MESSAGE FROM THE PLACEMENT HEAD

At Isabella Thoburn College, we believe that education extends beyond classrooms - it's about preparing students for the world ahead.

The Placement Cell reflects this vision by nurturing talent, building confidence, and creating meaningful industry connections.

Our aim is not only to help students secure placements but also to equip them with the adaptability and professional acumen required to thrive in dynamic work environments.

I take pride in our students who demonstrate both academic excellence and strong values, and I extend my gratitude to all the organizations that continue to place their trust in us.

Together, we look forward to building brighter futures.

PLACEMENT PARTNERS

The Career Counselling and Placement Cell of Isabella Thoburn College aims at helping students land jobs by offering exceptional internship opportunities. By combining academic training with experiential learning, the cell ensures that students are ready for the competitive job market. Thanks to the Placement Cell's strong partnerships with leading companies, LaunchEd, Unlox, UDKA professionals, Devi Sansthan and many more, enabling students to have access to valuable internships that promote their professional growth and hands-on experience. The Placement Cell offers customized resume building, interview coaching, and job search strategies to students. Through these internships, students gain firsthand experience with real-world scenarios, which enhances their skills and increases their employability. The Cell also organises various activities, seminars, and workshops to improve the skills of the interested students. We provide job opportunities to our students by inviting companies, NGOs, etc, for their suitable job placements and internships. For the holistic development of our students, co-curricular activities are organised throughout the year.
