CAREER COUNSELING AND PLACEMENT CELL
ISABELLA THORBURN COLLEGE

FROM THE PRINCIPAL'S DESK

Principal's address Isabella Thoburn College is the oldest women's Christian college in South East Asia providing quality higher education to women since 1886. Founded with a vision of 'make leaders of Indian women,' we try our best to inculcate qualities of leadership alongwith academic excellence.

We train our students in the subject knowledge, skills and abilities by giving them ample opportunities through teaching and learning within and outside the classroom, field exposure, workshops, hands-on training programs, public speaking, event management, visit to industries and corporations and internships

We make our students career ready by organizing interactive sessions with industry, corporate, and service heads.

We believe that our students are equipped not only to be leaders but also excellent team workers.

We look forward to our association with institutions, companies, start-ups and corporates to recruit our students for placements, training and internships.

FACULTY COORDINATOR'S MESSAGE

Dear Recruiters,

Greetings from Isabella Thoburn College, Lucknow. It is indeed an honour to connect with you through our placement brochure and explore the potential collaboration between your organization and our talented pool of students. Here are some key highlights of our placement program:

- **Diverse Talent Pool:** Our institution boasts a diverse and highly motivated group of young women from various academic backgrounds, all eager to contribute their skills and expertise to forward-thinking companies like yours.
- **Strong Academic Programs:** Our students receive a well-rounded education, combining theoretical knowledge with practical skills through internships, projects, and coursework that prepare them for real-world challenges.

- **Career-Ready Graduates:** Our commitment to nurturing the professional growth of our students ensures that they are not just academically accomplished but also well-prepared for the demands of the industry.

- **Seamless in Recruitment Process:** We are dedicated to facilitating a seamless recruitment process tailored to your specific needs, from organizing campus interviews to providing necessary logistics.

I invite you to consider our institution as a source of top-tier talent for your recruitment needs and forward to the possibility of collaborating with you and helping our students find exciting career prospects.

Warm regards,

Prof. Sonika Bhatia

- Economics
- English
- Sociology

Professional Courses

Bachelor Of Education

Bachelor Of Library Sciences

VISION

The institution traces its roots back to the founder Ms. Isabella Thoburn's ideology: **“No people ever rise higher, as a people, than the point to which they elevate their women.”** When Ms. Thoburn came to Lucknow, she observed how there was noticeable discrepancy in the level of advancement of men and women. She decided that her first priority would be the education of girls, and the next priority would be evangelistic work with women secluded in their homes.

It is the mission of the College to assist in the creation of women leaders who manifest intellectual competence, spiritual maturity, mental strength and moral uprightness, who will champion the cause of justice, love, truth and peace, and who are ever open to further growth. This fulfills the criterion of Social Accountability towards the society. This vision was reflected in the location and property chosen for the institution as well

MISSION

- To help girl students achieve self-discipline, cultivate good habits, and imbibe high ideals and virtues.
- To train students in clarity of thought and accuracy of expression and develop in them leadership quality.
- To build a community of staff and students committed to the common pursuit of truth and moral excellence.
- To promote a healthy modern outlook among the women while drawing inspiration from our motto, our ancient cultural heritage and tradition.
- To become an institution of social change and a force of integration among linguistic, religious and caste groups and to inspire young women to work for the eradication of social evils.
- To inculcate in the students a sense of responsibility to the nation and encourage their creative involvement in the building up of a new developed India, a country free from exploitation, injustice, ignorance, poverty, misery and corruption.

PLACEMENT PROCESS

The Cell provides a point of contact between the company and the coordinator

Students are intimated about the company and applications are sought

Interested students are registered for an introductory session to give an insight into the skills needed for a particular job in question.

A suitable date, time, and venue are decided after due consultation with the interested company. Students are informed about the same

A pre placement session is organized to give the students a rough estimate of the way the company operates and other details

Interested students are called for a formal interview and skill test on a pre-decided date. The company selects candidates based on one's aptitude and skills
